**Report:** - On 17<sup>th</sup> August, 2014, D Y Patil School of Engg. Academy, Ambi, successfully completed the event of Tree Plantation as a social responsibility of organization towards society. Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO<sub>2</sub>. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

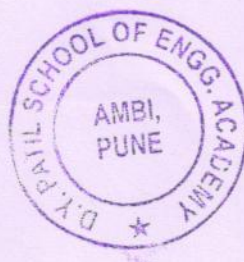

The event was began with the welcoming of guest Honorable Dr. V. N. Nitnaware, HOD E & TC. Inaugural speech was given by him. At that time, he adviced to volunteers to think differently for the Society to make positive changes and to make improvement.

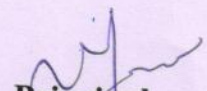

Dr. V. N. Nitnaware, HOD E & TC, shared his past experiences with volunteers that how he got the success through social activities and what difficulties he faced while performing his role as social activist. He said that "In society all the human beings are comprise equal importance, no matter with the Men or Women." He also said that the dedication is must to accomplish the goals and dreams in life. Finally, he passed a message of kindness & being helpful to the needy people.
