Report: - Swachh Bharat Abhiyan or Clean India Campaign is one of the most ambitious projects from the Government of India and PM Mr. Narendra Modi. He officially announced the Swachh Bharat Abhiyan on 2nd October 2014 on the occasion of Mahatma Gandhi Jayanti. This is one of its kind of campaign that got national-level attention. A major goal of this campaign is to make all cities and villages of India "Open Defecation Free". Along with it, Swachh Bharat Abhiyan aims to clean the roads, streets, and infrastructure across India.

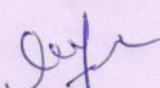

The best thing about this campaign is it is focusing on cleanliness and availability of toilets in all schools and colleges. In that aspect our college took the responsibility & started this activity very rigorously. And conducted the Cleaning drive in & around the college.
