## INTERNATIONAL YOGA DAY

Since its inception in the year 2015, June 21<sup>st</sup> is celebrated as The International Day of Yoga all over the world. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. International Yoga Day was celebrated by the students and teachers at DYPTC Campus organized by D Y Patil School of Engg. Academy; with great enthusiasm. Students of FE to BE demonstrated various asanas. Warm up exercises were taken and all the students performed sitting and standing asanas, importance of these were explained simultaneously.

The celebration concluded with the speech by our Principal, Dr. V. N. Nitnaware. He encouraged students to practice regular yoga to remain fit and improve concentration. He said, "It is not about exercise but to discover the sense of oneness with you, the world and the nature. By changing our lifestyle and creating consciousness, it can help in well being."
