Report: - The University of Faisalabad in collaboration with National High Way and Motorways Police organized a seminar on Road Safety awareness on 13th March, 2016. Firstly Dr Rajendra Borhade, Dean Academics, Indrayani College gave an introductory lecture on road safety measures. & also gave a detail presentation on the road side accidents. In his presentation he thoroughly discussed the safety measures that can save a human life. He stressed that one should be visible on the road and use zebra crossing while crossing the road. In his presentation he shared some of the terrible life risking facts. In the entire road side accidents 84% loss is because of human faults while other remaining factors are 16 %.According to a report approximately 12000 persons are killed in road accidents annually in India. Around 70 students attended the Seminar. After the seminar students presented the Street Play in the campus for the Road Safety Awareness.
